

Build a **NEW** Blackburne Creek Playground

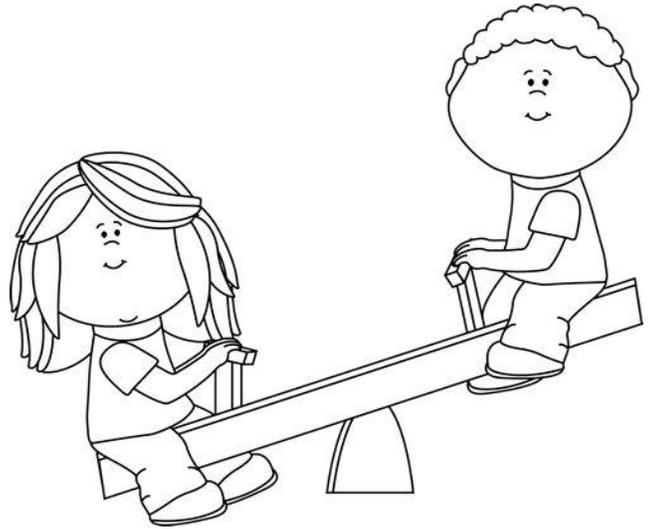

HOW CAN YOU HELP?

- **ATTEND THE BLACKBURNE CREEK PLAYGROUND KICK-OFF MEETING**

DATE: Monday June 5, 2017

TIME: 7 pm

LOCATION: Ellerslie Rugby Park

We will discuss the project, fundraising, get your ideas and gather the volunteers to get the project under way.

- **VOLUNTEER**

Playgrounds are fundraised and built by the community. If we do not get the volunteers needed to establish a playground committee, our playground will continue to age and if determined unsafe, will be removed by the city.

- **DONATE**

Support the playground project with a donation. Or do you know a local company that could support this project? Donations are matched by city grants and are eligible for a tax receipt.

Join your neighbours, the Blackburne Creek Home Owner's Association, and the Blackmud Creek Community League as we partner to redevelop our playground!
